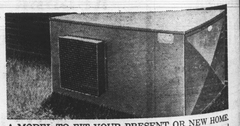
Make comfort your all-year house guest!

COOL AND HEAT ELECTRICALLY AT NEW LOW RATES!

All-year comfort comes in one compact package, the miracle-working *Flameless* Electric Heat Pump. And now you can enjoy its heavenly summer coolness and 100% clean winter warmth at a new, low home rate. For after the first 600 kilowatt hours monthly on your regular meter, VEPCO drops your electric cost to a mere 1½¢ per kilowatt hour.

Send the coupon for VEPCO's free booklet: "Come On In, The Weather's Fine." It shows how this amazing electric climate maker pumps heat out of your house now . . . then reverses automatically to gather and concentrate outdoor warmth to heat your home in winter. Without fire, smoke or dust. And without ever a thought from you . . . even about cost . . . thanks to VEPCO's new low residential rate.



A MODEL TO FIT YOUR PRESENT OR NEW HOME. The *Flameless* Electric Heat Pump comes in many sizes and models to bring the supreme comfort of all-year climate control to any house . . . from a mansion to a five roomer!

VIRGINIA ELECTRIC and POWER COMPANY
Room 409, P. O. Box 1194, Richmond 9, Virginia
Please send free booklet, "Come On In, The Weather's Fine"... with actual economy examples of all-year Electric Climate Control from the VEPCO area.

HOMEMAKER'S PROGRAM

(Continued from Front Page)

each individual family member and then plan nutritious meals for each member.

2. In case of sickness prepare attractive trays to tempt poor appetites.

3. Help your family plan "Share the Work" breakfasts in order that each member may have time to eat a nourishing morning meal.

4. Plan and prepare nutritious between meal snacks for children and teenagers.

Project C: Civil Defense
(Chapter experiences)

1. Invite a representative to talk to the chapter on Civil Defense emphasizing "Foods for an Emergency and Safety."

2. Have an assembly for the student body by showing a movie on civil defense.

3. Provide a course in Home Nursing and issue Civil Defense certificates.

(Individual experiences).

1. Plan and prepare a Food Case Shelf for an emergency use.

2. Help your family to realize the "Importance of Civil Defense."

3. Apply home nursing when there is sickness in the family.

4. Prepare a home medicine kit for home use.

Goal III: To interpret the value of home economics as a basic part of our total education.

Project A: Your future with home economics.
(Chapter experiences)

1. Present a program on What Home Economics offers you in preparing to meet the problems of life.

2. Plan and prepare a series of newspaper articles by chapter members on "How Home Economics has made improvements for better family living in our home."

3. Present a radio program on "The value of high school home economics training."

(Individual experiences)

1. Make a point of trying to help others understand why you are taking homemaking in high school.

2. Learn as much as you can about careers in home economics and the way people feel about the importance of home making education.

A Fourth Goal was designed to promote good will through getting to know our neighbors at home and abroad. A Fifth Goal was aimed to promote money raising projects in which all club members participate.

Every executive should have an able amistant to do his work for him in an emergency.

No one is happy all his days long. — Euripides.
